Empresas Nolasco

" Empresas Nolasco is a Puerto Rican company that distributes office supplies, school supplies and crafts materials "

Description:

Empresas Nolasco is a family owned distribution Company established in Puerto Rico. The company focuses on looking for potential products, introducing and distributing them to the Puerto Rico market and other markets. The members of the company have more than 30 years of experience in the school and office supply market.

Empresas Nolasco has an exclusive product line called ''Barrilito''. This product line is an extensive and complete product line that focuses on office, school and crafts supplies. ''Barrilito'' is the best-selling product line of Empresas Nolasco, because of the quality and variety of the products; from staplers to scissors, to crafts, we have it, and the people love it. Empresas Nolasco is always making sure the client is satisfied with our service and products.
