Perfect Makeup In 3 Easy Steps

1. **Position the ShadowTee under the eye**
2. **Apply eye makeup**
3. **Peel to reveal the perfect finish**

Exclusive 'easy-peel' adhesive

INTRODUCING ShadowTees

Professional Look In 3 Easy Steps

ShadowTees, unique all-in-one makeup and cleanup tool, was developed and designed by a professional makeup artist with more than thirty years of expertise in the makeup and cosmetics industry. There is no known makeup tool in the market that is comparable to ShadowTees. ShadowTees' patented design fits any eye shape or size, and can be used for just about any type of eye makeup application. Think of it as a stencil that enables eye makeup wearers of any age and ethnicity, regardless of their skill or experience, to complete a perfect, professional look every time with never the need for cleanup.

- **Exclusive No-Pain 'easy-peel' adhesive**
- **Medical grade hypoallergenic materials**
- **Unique patented makeup tool**
- **Always a perfect look**
- **Perfectly fits any eye contour**
- **Smokey Eyes, Winged Finishes and V's made easy**
- **Clean up tool - no pesky clean up required**
- **Made in the U.S.A.**

ShadowTees is the perfect makeup stencil and cleanup tool for a clean finish every time
