Tea is the worlds' favorite non-water beverage, and its popularity is growing in the US.

ABOUT THE BRAND

"Ms. Pennie" is a college professor turned Tea Sommelier, who discovered her passion for tea while searching for holistic healing from illness and domestic violence.

Health-conscious tea devotees love our inventive taste sensations. And our exciting and unique blends of fruit, herbs and aromatics draw newcomers.

Our delicious teas lead to daily moments of enjoyment as well as a lifetime of health benefits. We believe in healing and repairing from the inside out — that's why Pennie's Tea supports shelters for women and children overcoming domestic violence.
